Subject: Hotel Information for the Wedding

Dear Loved Ones:

You should have received the formal wedding invitations electronically today. We hope you can join us on our special day. Though we realize for many, the distance is a bit too far. Whether you join us in person or not, your presence will be with us in spirit!

Meanwhile, we have some important information for you. For those traveling in for the wedding, a block of rooms has been reserved at the Doral Arrowwood Resort. Please see attachment for hotel information as well as general Itinerary for the weekend. For those that will be staying at the Doral Arrowwood, we will be preparing transportation from the Hotel to the Wedding Friday evening. More detailed information will be shared when you arrive.

Some of our guests have asked where we registered for the wedding. First and foremost, your presence is the greatest gift of all! Though to answer the question, we are officially registered at Bloomingdales (www.bloomingdales.com). We are also saving to purchase a house in the near future, so for those traveling great distances, envelopes are certainly welcome too.

Regardless of where you choose to stay and where you are coming from, we can't wait to celebrate with you! Be sure to wear comfortable shoes, we intend to be on the dance floor all night long!!

For now, be well and safe travels. Only 4 weeks to go!!!

Lots of love,

Jeroen and Karin
